Nana Kwaku Tiem.

Following recent events, we have noticed a concerning increase in individuals falsely claiming to be chiefs and using our property for their own personal gain. This does not only pose a significant threat to our security but also undermines the dignity and traditions associated with the Gomoa State chieftaincy institution.

We further emphasize the seriousness of trespassing and impersonating of our new chief Nana Okofo Kusae Edu Ohene Ampofo XVI(16). Such actions are not only illegal but also disrespectful to the local community and the rightful holders of the chieftaincy title. We have taken this matter very seriously and have implemented enhanced security measures to deter and apprehend any trespassers.

In conclusion, we express our sincere gratitude for your attention. We greatly prioritise the preservation of our community's traditions and the safeguarding of our customs and traditions.
